KEEP OUR MOUNTAINS BEAUTIFUL

July 23, 2014

John Smith
555 Sandy Lane
Blairsville, GA 30512

Dear Mr. Smith,

Trash was spotted being thrown out of your truck on Hidden Lake Road.

We are sending this letter as official notice of the following Union County code violation Sec. 66-112 (d).

No person, while a driver or passenger in a vehicle or conveyance of any kind, shall throw or deposit litter in or upon any street, sidewalk, waters or other public place or upon private property within the county.

Fines for littering can be up to $1,000. A record of this incident will be kept on file for a period of two years. If we receive your information a second time as being involved in littering, your case will be further investigated and if necessary, prosecuted.

We trust this was done accidentally. Thank you for doing your part in making Union County a litter free county.

Leslie George
