

Lumpkin County Animal Shelter

2019 Annual Report

2019 was an exciting year for the Animal Shelter and its staff. I believe the accomplishments we have made will continue to benefit both the citizens and animals of our great county. The successes we have enjoyed in forming new relationships, cutting euthanasia rates, and increasing adoptions, return to owners, and animal transfers have allowed our shelter to grow a strong community involvement as well as a superior reputation. As a team we will continue to push forward with improvements and new Ideas.

We now enjoy an excellent working relationship with both the sheriff's office and county court system and these improved relationships profit the county as a whole. We will continue to work as a team to streamline citation and code enforcement processes and insure consistent and fair fee structures and reporting methods. These improved relationships have also earned trust and understanding for the quality of our work and investigations. This has led to the successful partnership between our Animal Control Unit the Lumpkin County Sheriff's Office, as well as the State Attorney's Office. One example of an outstanding outcome of these enhanced relationships was a successful felony conviction for cruelty and neglect. This past year has also seen the development of many new relationships with rescue groups, humane societies and area veterinarians, all of which have allowed us to continue increasing our transfer rates and decreasing our euthanasia rates. We look forward to both continuing and to building on these successes in 2020.
