

# Lumpkin County Animal Shelter

## 2018 Annual Report

2018 was full of changes for the Animal Shelter and its staff. I believe the changes we have made are beneficial and will continue to benefit both the citizens and animals of our great county. With the changes to both leadership and staff we are pushing forward with improvements and new Ideas. As a team we are looking forward to living our core values and improving shelter practices.

We are continuing to improve our working relationships with other county departments which profits the county as a whole. Two examples of this are the new working relationships we have formed with both the sheriff's office and county court. In building these working relationships we have begun to streamline the citation and code enforcement processes, insuring a consistent and fair fee structure and reporting method. These improved relationships have also earned trust and understanding for the quality of our work and investigations. This has led to the successful partnership between our Animal Control Unit and the Lumpkin County Sheriff's Office; in turn, that has allowed us to investigate and submit cruelty and neglect cases to the sheriff's office which led to formal charges. We have also, over the last six months, formed new relationships with rescue groups, humane societies and area veterinarians, allowing us to find new ways to increase our transfer rates and decrease our euthanasia rates. We look forward to both continuing and to building on these successes in 2019.
