Pets can run away or get lost.

With a 24PetWatch microchip, you can make sure that if it ever happens to your pet, they can be identified anywhere, at any time, and you can get them home faster and safer.

24PetWatch – Dedicated to the safe return of pets.

24PetWatch
PET PROTECTION. ANYWHERE. ANY TIME.

Bring your lost pet home,
fast and safe!

Through the 24PetWatch microchip and pet registry, your pet can be identified anytime, anywhere. Their 24PetWatch microchip will identify them and allow a shelter or clinic to contact us if they ever get lost. We can advise them about any medical conditions, to ensure they receive the best care as we get in touch with you, around the clock.

The 24PetWatch Pet Recovery Network is available 24/7. Our specialists monitor over 1,200 shelters so registered pets are found as soon as possible. Register your pet and enjoy 24/7 peace of mind. You'll also get access to exclusive 24PetWatch services – from EmergencyCare to 24PetWatch Pet Insurance – all designed for pet owners like you.

24PetWatch microchip – peace of mind for you, protection for your pet.

- Any North American microchip can be registered FREE
- Pet Recovery Data Center staffed around the clock, 24/7 to assist you
- 24PetWatch ID tags recognized across the country
