Lumpkin County Sheriff's Office
Criminal Investigation Division
2009 Year in Review

The year 2009 was the first year for Sheriff Stacy Jarrard as Sheriff of Lumpkin County. The command staff was new throughout the Sheriff's Office. Capt. Scott Martin was named Commander of the Criminal Investigation Division. From the 1st day there was an open Investigator position in CID. This open position was open all year in different areas in Investigations.

Investigator Wesley Burnett was promoted to Sergeant, Deputy Kevin French and Sergeant Brendan Garland came to the Criminal Investigation Division as Investigators.

After reviewing the staff, it was learned that the Investigators were lacking in specialized training, experience in investigations and lack of equipment. I spoke with each Investigator to learn the career path they wanted to pursue. The necessary equipment was purchased, and Investigators were assigned to specialized schools to assist them in the career path they have chosen. The Criminal Investigators had a total of 1,369 hours of training.

The Burglary Suppression Unit was created and three Investigators were assigned to Narcotics in Lumpkin County. Other alignments were done with-in the Division to assist the Investigators in the on-call schedule, case assignments and other duties as an Investigator. An Investigator is in-service at 06:30 and on duty until 22:00. An Investigator also attends the shift briefing to have the communication between all Divisions.

Other notable actions in CID are that the Investigators are dressed in business attire, for a more professional appearance, Investigator cases are tracked by Inter-Op and all Divisions are working together to make the Lumpkin County Sheriff's Office the best Law Enforcement Agency in the area.

The Investigator of the Year for 2009 is a servant to the Lumpkin County Sheriff's Office Criminal Investigation Division. This Investigator has worked some of the larger and in-depth cases that have happened in Lumpkin County.

This Investigator has proven himself by attending several special training classes to broaden his knowledge on specialized crimes. He has been an Investigator coming up on his 2 years anniversary.
