OF THE LUMPKIN COUNTY BOARD OF COMMISSIONERS**

February 14, 2011

CALL TO ORDER

Chairman Raber began the special work session at 5:01 p.m. in the Main Conference Room of the Lumpkin County Administration Building. Present were John Raber, Bill Scott, Tim Bowden, Clarence Stowers and Clarence Grindle.

APPOINTMENTS

Meet Candidates for Appointment to Boards & Authorities

The Chairman explained that the purpose of the special work session is to allow the board to meet candidates for appointment to Lumpkin County Boards & Authorities.

Candidates present were Michael Davis and Michael Young for nomination to the Lumpkin County Hospital Authority.

Each candidate gave a short description on their background and answered questions from the commissioners. The questions concerned their commitment to Lumpkin County and how long they had resided in the county. There was discussion of the importance of attendance at the meetings so appointees can make the informed decisions for Lumpkin County.

A general discussion then took place among the commissioners regarding boards, authorities and committees. They also discussed the proposed renovation plans to several county buildings and especially commented upon the proposed location of the CASA office. The board discussed how much better buildings would look if they were pressure washed with a "good" pressure washer, bleached, sandblasted and repainted where most needed.

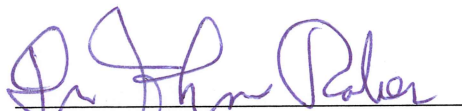

They also discussed the standing meetings previously suggested by Chairman Raber. He proposed a standing once-a-month Monday night meeting with an "open agenda" in addition to the already regularly scheduled monthly work sessions and regular meetings.

ADJOURN

There being no more matters to discuss Chairman Raber ended the special work session at 6:45 p.m.
