

Planning Department Year End Summary 2011

The Planning Department issued a total of 167 structure permits in 2011. This is 86% of the total issued in 2010 and 41% of the average for the last 5 years (see charts below). Building inspections also showed a similar decline in 2011 with 662 building inspections which is 73% of 2010 inspections and 30% of the average for the last 5 years. The Planning Department also issued (new and renewed) 731 business licenses. Please note that in previous years the reporting licenses which were purchased new in that year and renewed prior to the end of the year were double counted. The total was adjusted in 2011 to reflect the actual number of active business licenses in that year.
