

LUMPKIN COUNTY RESOLUTION NO. 2010-07

**A RESOLUTION TO APPROVE A BOUNDARY LINE AGREEMENT
BETWEEN
LUMPKIN COUNTY (ADULT LEARNING CENTER)
AND
RICHARD SILVA (FORMERLY "GUNNELS")**

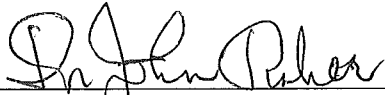

Whereas, the governing authority of Lumpkin County has been presented a request to enter into a boundary line agreement for the boundary line between certain Lumpkin County property (now being used for the Adult Learning Center and other public purposes) and certain adjacent land to the west formerly "Gunnels," now owned by Richard Silva; and,

Whereas, the governing authority of Lumpkin County, after review by its legal counsel, its Planning Department, GIS department and Public Works Director, has been assured that this request does not give up any property now or formerly known to be claimed by Lumpkin County, but simple waives any claim to adjacent property; and,

Whereas, the governing authority now desires to enter into said agreement;

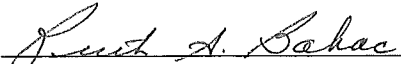

Now therefore, it is hereby resolved that upon the proper and approved execution of the attached Boundary Line Agreement by Mr. Richard Silva, and the return of said document to the Board of Commissioners, the Chairman of the Board of Commissioners shall be authorized to execute said document and have it recorded in the land records of Lumpkin County, with all cost of recording paid by Mr. Silva.

Resolved, adopted and effective this 21st day of January, 2010.

John Raber, Chairman
Lumpkin County Board of Commissioners

Attest:

Ruth A. Bohac
Clerk, Lumpkin County
