**Agenda Item:** 2015 Budget Calendar

**Item Description:** Approval of 2015 Budget Calendar

**Facts & Historical Information:**

This is a request to approve the 2015 Budget Calendar for the 2016 Budget. This document will be used as a guide during the budget process. Use of the calendar ensures that all State requirements are met for advertising and meetings. The calendar is also a tool used to communicate information to the public about the budget process from the initial presentation of a proposed budget to the adoption of the 2016 Budget and establishment of the corresponding millage rates. The calendar is presented in the same format as previous years with red letter items indicating times the Board of Commissioners will need to be available for meetings. Staff used the amended 2015 Budget Calendar as this basis for a time table in order to accommodate the appeals that have resulted from changes in law. This calendar may be amended in 2015 should the need arise.

**Potential Courses of Action:** A) Approve the calendar as presented.  
B) Amend the calendar.
