**Item Description:**

Proposed list of roads to be resurfaced during in 2015.

**Facts & Historical Information:**

In March of 2015 Lumpkin County awarded a contract to Colditz Trucking for the resurfacing of four roads under the LMIG program. These roads are Frogtown Road, Bear Slide Hollow, Miller Calhoun Road and the south portion of Auraria Road. The total mileage awarded for the LMIG project portion of the 2015 resurfacing is 5.65 miles. Staff is now proposing that an additional 6.46 miles of road be resurfaced during the 2015 paving season. These roads are in the attached 2015 Road Resurfacing List. Also attached is a copy of the Road Rating List, which is the list of roads that have been considered for resurfacing. On the attached lists the green highlighted roads are road awarded to Colditz under the LMIG contract. The orange highlighted roads are proposed to be paved by Colditz under an extension to the contract and the yellow highlighted roads are roads to be paved using County forces.

**Courses of action:**

1. Resurface the roads as listed on the resurfacing list.
2. Resurface other roads chosen by the BOC.

**Budget Impact:**

Funding for this project comes from the following sources:

- GDOT LMIG: \$393,040.36
- SPLOST: \$650,000.00
- Gravel Stone and Asphalt Budget: \$150,000.00

The total amount of funding available is \$1,193,040.36. The estimated cost of the proposed resurfacing is \$1,181,812.05.

**Staff Recommendation:**

Staff has worked with Colditz Trucking to determine what combination of roads would be the best for Lumpkin County. Staff recommends that the BOC approve the attached 2015 road resurfacing list as listed for the total 2015 road resurfacing project.
