This is a community service program intended to use by passengers within the Lumpkin County boundaries. It is available Monday – Friday 08:00 am to 4:00 pm.

It is available **by appointment on a first come, first serve basis**. It is highly recommended that you make your appointment 48 hours or more in advance.

Please **schedule a time for a departure trip and the return trip** when making the appointment. This will help eliminate overlapping appointments and keep you from waiting. Please keep in mind that the **service is limited** by two vehicles and two operators/-coordinator. There may be times, particularly with unknown times for returns trips, in which you will need to be flexible and patient.

Same day on call requests may or may not be served depending upon the schedule of that particular day. The operator/coordinator is often away from the office phone and may not receive your call until later in the day.

Please respect other passengers and yield to the disabled. No eating, drinking, vulgar language transportation of hazards or animals is allowed. Service animals are acceptable.
