Lumpkin County
Attn: Mr. Stan Kelly, County Manager

Dahlonega GA, 30533

SUBJECT: Speed Zone Ordinance
Lumpkin County

This office has completed the revised update of the Lumpkin County Speed Zone Ordinance to add the Lumpkin County Elementary and Middle School on SR 60 Business to the speed zone ordinance.

Two copies of the updated ordinance are attached for your review and approval. Once approved, please forward one signed notarized copy of the ordinance to this office for further processing. This copy will be maintained by our office and will be forwarded to the Department of Public Safety for their review and approval.

It is the responsibility of the County to sign all off-system roadways. Speed limit signs and speed checked by detection device signs have to be in place for thirty (30) days prior to radar use. The attached ordinance will go into effect upon approval from the Department of Public Safety. However, the County **cannot** use any speed detection device until the signing requirements are met.

We appreciate your patience and cooperation in this matter. Should you have questions or require assistance, please contact Shane Giles of our office at (770) 531-5803.

Sincerely,

A handwritten signature in blue ink that reads "David W. Olson".
