Agenda Item:

Additional Road Resurfacing list.

Item Description:

Approval of proposed list of roads to be resurfaced during the 2016 paving surface..

Facts & Historical Information:

In March 2016 the BOC awarded a contract to Colditz Trucking in the amount of \$621,583.58 for the resurfacing of Castleberry Bridge (4.03 mi.) and Cavenders Creek Road from Lenard Pruitt road to Rock house Road (1.35 mi.). This contract was for the initial LMIG portion of the 2016 resurfacing project. Since that time the DOT has verbally committed to additional funds. The total estimated funds available for resurfacing is \$1,213,425.54 (see attached list). Staff is now submitting a recommendation list of additional roads to be resurfaced for approval by the BOC.

Proposed Funding Sources:

Funding has come from several sources in the past for the resurfacing projects, with the largest source being SPLOST. Sources of funding and estimated amounts are:

- SPLOST: \$650,000
- Title I: unknown amount
- Gravel Stone and Asphalt budget: \$105,000
- DOT LMIG grant: \$390,522.61
- Additional DOT LMIG grant: \$119,502.93
- Deduction for system safety project matching funds: - \$51,600

- Total: \$1,213,425.54

Staff Recommendation:

Attached is the roads resurfacing priority list for the 2016 resurfacing. Staff's intent is to use all available funds for resurfacing of roads from the priority list. Staff asks that the BOC approve the attached list of roads for resurfacing in 2016.
