

# Lumpkin County, Georgia

---

## Planning Department

November 15, 2016

**Agenda Item:**

Connectability Bridge and Sidewalk Bid

**Item Description:**

Award bid for the construction of the bridge and sidewalk.

**Facts & Historical Information:**

In late 2015, Lumpkin County staff started working with Leadership Lumpkin County and Connectability on the design for a bridge and sidewalk connection the all ability playground to the parking area near the soccer field in Yahoola Park. Leadership Lumpkin County has held fundraisers to raise part of the funding for this project. Staff does not know the amount of funds raised to be used towards this project. In October of 2016 Lumpkin County released a bid package for this project. Three bids were received and opened on November 15, 2016. All three bids met the requirements of the bid package. Attached is a copy of the bid tabulation sheet. The apparent low bidder was Wimpy Enterprises, Inc. with a total bid price of \$60,000.00.

**Potential Courses of Action:**

- a. Award the bid to the low bidder
- b. Award the bid to another bidder
- c. Reject all bids

**Budget Impact:**

Leadership Lumpkin County has raised some funds to go towards this project. Staff has heard estimated amounts in the range of \$10,000, but has not received an exact amount of funds raised. Based on this estimated amount the remaining cost of the project will be funded by the county.

**Staff Recommendation:**

Due to the unbudgeted cost of this project, staff has no recommendation to the BOC.

### Bid Submission Checklist/Tabulation
