| Agenda Item: | Resolution allowing the County to join NPPGov |
| Item Description: | Approval to join National Purchasing Partners |
| Facts & Historical Information: | <p>The County has an opportunity to join NPPGov which is a national purchasing co-op that uses a lead public agency to competitively bid out products and services. The Official Code of Georgia, annotated, Title 36 allows for Counties to join co-ops of public entities in other states. There is no cost to join, and no requirement to purchase anything through the co-op, but there is a requirement for the governing authority to approve, by resolution, the granting of approval to enter the co-op. This co-op will benefit Emergency Services as the co-op has a division dedicated to fire/rescue products.</p> |
| Budget Impact: | Use of a purchasing co-op will allow the County to save money on certain purchases. |
| Operational Impact: | None |
| Recommendation: | Staff recommendation is to approve the resolution so the County can become a member and take advantage of already bid and approved contracts. |
