

LUMPKIN COUNTY RESOLUTION NO. 2016 – 45

CORRECTION TO TELECOMMUNICATION FACILITIES PERMIT FEES

Whereas, Lumpkin County Resolution 01-21 dated May 3, 2001, established application fees and permit fees for telecommunication facilities; and,

Whereas, the fees established therein provided that: “*modifications to existing structural, mechanical, electrical or plumbing systems require a building permit and the building permit fee shall be \$250.00;*” and,

Whereas, it has been determined that the codification into the Code of Ordinances of Lumpkin County, Georgia, inadvertently erred and displayed the fee as “\$25.00;**”**

Now, therefore, be it resolved that the Lumpkin County Clerk shall give notice to the Lumpkin County Planning Department, the Lumpkin County Finance Department, and further, shall give notice to the Municode Corporation, to correct the error by removing the \$25.00 and inserting the correct “\$250.00” as provided by the original resolution.

Resolved, adopted and effective this 18th day of October, 2016.

Chris Dockery, Chairman
Lumpkin County Board of Commissioners

Kathleen C. Walker
