

To enhance the lives of individuals
with Alzheimer's disease and other
dementias

caregiver support group

The Alzheimer's Association's Caregiver Support Groups

are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. They help participants develop methods and skills to solve problems. The groups encourage caregivers to maintain their own personal, physical and emotional health, as well as optimally care for the person with dementia.

Call 1 800 272 3900, or visit us at alz.org/Georgia

- To attend this support group
- To find a support group in another area
