ADDENDUM #2
QUESTIONS & ANSWERS
ERECTION OF A METAL BUILDING ITB #2015-004
Proposal Closing Date: April 21, 2016 @ 10:00 AM, EST

This addendum is issued today, April 13, 2016 to change or clarify the proposal documents and specifications associated with the ITB issued on April 1, 2016.

- Q1. Under Section 103: Water System, sub section 103.2 Pumps and Tanks, the specs call for the well pump to be sized based on well characteristics. Do you have any further information concerning the well?
A1. As stated in Amendment #1, Q9. Is there an existing well on site? A9. Yes, it is also noted on the site plan. Lumpkin County will also provide for the pump.
- Q2. Under section 112: Site paving, the specs indicate information concerning type bollards. Is the paving for the site excluded from the scope of works?
A2. Yes. The concrete at all doors **are** included in the scope of work.

Note: The signed addenda acknowledgement must be included in your proposal response.
