Consensus Items to Move Forward with Jointly

Short Term Consensus items:

- Move the Miner and the Indian to the square – patio in front of the Gold Museum (Roman and Mitchell – joint committee)
- Flagpole at the Reservoir (Roman and Mitchell – joint committee)
- Meet with Athens-Clarke and UGA to discuss college-city relations and partnerships (Bill)
- Sidewalk Walmart to reservoir intersection
- Joint press release from joint meeting
- Follow-up Joint Retreat January/February 2017

Mid-Term Consensus Items:

1. Joint agreement on the Reservoir Management Plan

Manage the timeline (Bill)

Look at current reservoir master plan and the county's concept plan list and see what needs to be addressed (Bill and Stan)(July 1)

Form a committee to make recommendations to both bodies including capital and operating costs

(Committee: Steve, Rhett, Mitchell, Roman) (Meet with managers the first meeting and identify chair) (develop phased plan) (August 15)

Possible amenities to consider:

- Swimming area / Beach
- Fees for parking and beach use
- Restroom
- Pavilion
- Splash park
- Bike trail
- Walking trail
- Parking area expansion
- Rowing

- Dock
- Trail around Yahoola Creek
- Park on drying beds
- Safer walkway across bridge
- Part of County park
- Bridge across Yahoola
- Boat trailer parking
- Permitting process for events
- ADA ramp at the dam

Submit Management Plan to DNR (September 1)

Committee make recommendations to joint meeting (October 2016)

2. Participation in joint RFP's and Joint fueling station, asphalt, salt purchase, insurance, public health partnership, grants *(Consensus)*

- Proceed as managers deem appropriate (provide status update to bodies)(GMRC as source of grants)(status update January 2017)

3. Impact of the University on the community (creating win-win possibilities) *(Consensus)*

- Ron will lead to get together a group of city and county group meeting with 2 or 3 key college/foundation players (Ron, Chris, Gary, Bob, Bill, Stan)(June 30)

4. Joint Community SPLOST Committee (Rome-Floyd model) *(Consensus)*

- At appropriate time prior to the next SPLOST form a committee of citizens to identify projects with education by managers as to the need and costs vs anticipated revenue (mid to late 2017)

Items Discussed but No Consensus at This Time

Undertaking joint projects for economic development (*Discussion only; no consensus action*)

Where is ED most likely to grow?

- 400 Corridor
- Morrison Moore PKWY
- Auriaia Road

Future possibilities: (*no consensus*)

- Meet with the major developers to determine their needs
- Expansion of existing fiber optics
- Promote getting another provider or Windstream step up to expand optics
- Affordable housing
- Run sewer to 60/400 at some point in time
- Formation of a Joint Water and Sewer Authority

Consideration of public owned properties and future needs (*discussion only; no consensus*)

- ADA upgrades forcing County to assess future use of those facilities – are there non-profit groups who can take over those facilities? Possibility of DDA taking over. For future consideration.

Library funding and construction (*discussion only; no consensus*)

- Sponsored rooms for library i.e. Dahlenega Room. Library taskforce in place to propose options with city and county input.

Joint Aquatic Center (City County University)

City-County Consolidation

ABOUT YOUR FACILITATOR

GORDON MANER

Senior Public Service Associate
Carl Vinson Institute of Government

Mr. Maner has a distinguished career in the local and state government training and development arena, and he currently serves as a facilitator, presenter, and special projects manager for the Institute. Mr. Maner is a recipient of the University of Georgia's Public Service and Outreach Walter B. Hill Award for Distinguished Achievement in Public Service and he is the recipient of the Georgia City-County Management Association's Pillar of Excellence Award for services to Georgia's cities and counties. In addition to his work in Georgia, he provides training, facilitation, and consulting regionally, nationally, and internationally.

Prior to joining the Institute, Mr. Maner spent more than 20 years in various management roles in Georgia local governments. He holds graduate degrees in psychology and in public administration from West Georgia University, and he is a skilled facilitator and presenter. His areas of expertise include facilitation (strategic planning, problem solving, relationship building), performance measurement, process improvement, management and leadership development, organization development, learning needs assessment and developing learning interventions.
