

THE POWER TO PERFORM

January 27, 2016

TO: Lumpkin County Board of Commissioners

RE: Request Road Abandonment  
Old Cain Bridge Road at Chestatee River

On behalf of the listed parties, I request the Lumpkin County Board of Commissioners abandon the section of "Old Cain Bridge Road" as noted on the adjacent map.

The road section has not been used for vehicular traffic for many years since the bridge washed out in the 1960's. The two property owners are the sole parties that hold ownership to the ROW in question.

It is understood an easement will be maintained to access GA 400 South.
